

# Castleton Genesis

*A new beginning*

# Genesis

*Touring comfort throughout the year*

*Innovative layouts and design*

*Renowned reputation for quality and craftsmanship*

*The name of Castleton has been synonymous with quality caravans for more than thirty eight years, employing the skills of craftsmen to produce the finest coach built tourers. Using our experience and skill, we have for 1994, produced an additional range of caravans named GENESIS. This new range utilises bonded construction for both caravan sides and internally the design of all the furniture is very different with moulded and shaped door and drawer panels.*

*Like the 1994 Ro-Range, the GENESIS comes with a full specification including Refrigerator, Cooker/Grill/Hob, Gas/Electric*

*Water Heater, Shower, Gas Fire, Cassette Toilet, Stereo Radio/Cassette Player, Burglar Alarm, Spare Wheel, and Tyre, Roller Blinds and Flyscreens, plus many other features which make caravanning with GENESIS such a pleasure throughout the year, either at home or abroad.*

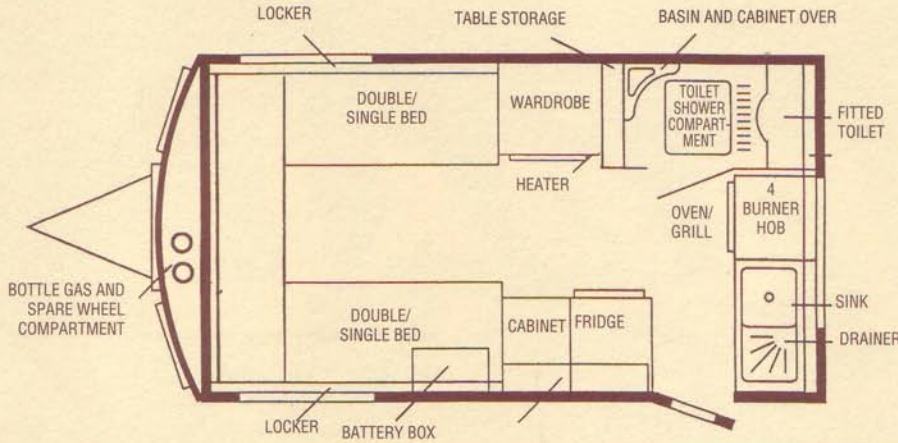

*The seating and sleeping arrangements provide total flexibility with large single beds or a "King-Size" double and all mattresses are upholstered in fine fabrics to blend with the other soft furnishings.*

*Why not make it 'a new beginning with GENESIS', contact your nearest Castleton Distributor for further information.*
