## What's New For 2000

### ▪ **Restyled Front**

Introducing a brand new stylish front fascia designed with elegance and practicality in mind. A large one-piece cantilever gas locker door enables easy access to our completely revised front storage area.

### ▪ **Designated Battery Storage**

A purpose-made recess for the leisure battery to fit securely & snugly, providing easy access and leaving the underbed space free for storage.

### ▪ **More Storage Space**

As well as the famous rear boot, each model now has either two or three large, useful exterior lockers.

### ▪ **Storage For The 12N & 12S Leads**

Again, our new front provides more benefits by creating a suitable area for internal storage of the 12N & 12S lead when not in use.

### ▪ **New Front Windows**

Deeper front windows giving a sleeker look to our already famous design.

### ▪ **New A-Frame Cover**

Again, an improved design to compliment our new front fascia.

### ▪ **A Brand New Cocktail Cabinet**

A cocktail cabinet that doubles as a stylish illuminated display cabinet. Aesthetically pleasing curved glass doors are introduced to compliment our spacious cabinet that now houses our CD/radio and CD storage.

### ▪ **Improved Drawer Action**

All our new internal drawers are now fitted with metal runners for improved durability and a smoother action.

### ▪ **The Best Heating System**

The new Carver 5500 Turbo dual fuel heating system; the most efficient available.

### ▪ **Brand New Lights**

A pleasing internal lighting effect is given by our new circular ceiling lights.

### ▪ **535ET Improved Layout**

This classic design has just got better. A large domestic style shower cubicle has now been added to give more space without losing any of the benefits already so popular last year.

### ▪ **535EK – A New Model**

A superb luxury 2-berth. This absolutely new layout will completely captivate the couple who demand space with quality.
