(1) - All the technical characteristics for CHALLENGER valid at the time of printing (August 99) are provided for information only. They may be subject to modifications, often as a result of technical improvements. The certificate of approval (issued by the vehicle inspector authorities) must meet legal requirements, in particular with respect to weights and dimensions.

(2) - The carrier for each model in the technical table corresponds to the bus recommended for CHALLENGER. By special request, it is possible to order your CHALLENGER on a different basis. Contact your dealer for information.

Challenger 151, Ambiance Viva.

Thanks to this curving design, the upper space can be used either as a sleeping place or as a storage cupboard. As your needs dictate...

Enjoy the comfort of an attractive, perfectly equipped bathroom (separate shower in Challenger 104).

Challenger 104, Ambiance Kibo.

A generously sized storage area to the back of Challenger 180 and 191 GA.
